

# Village of McDonald Comprehensive Plan

## COMMUNITY SURVEY

McDonald Planning Commission is working hard to develop a Comprehensive Plan for the future of your village. A comprehensive plan examines a community's needs and creates goals for its future development. This survey and your anticipated responses to it are of the utmost importance in formulating the village's Comprehensive Plan. Please take a few minutes to answer the questions and add comments where necessary so that we may include your views as we work towards completion of the Plan. You may also write comments on a separate sheet of paper if necessary. Thank you very much for your assistance in this crucial phase of the Comprehensive Development Plan.
